Zoom Features: Clips

Samantha Starr - 2024-05-29 - Zoom

What is Zoom Clips?

What is Clips?

Accessing Clips Settings

1) Zoom → Settings
2) Locate “Clips”
3) Toggle On:
   - Clips
   - Viewers can view comments
     - Check box to “Allow viewers to post comments”
   - You can choose who can access a shareable link to as a default
     - This can be changed when you are ready to share though
