- Select** 'Add New Device'

Looks like this device has never backed up

Are you adding a new device or replacing an existing device?

[Add New Device](#)

[Replace Existing](#)

- The program will ask if you are sure about adding a new device, **click** 'Yes'
- You can then **dismiss** any pop-ups and **close** out of the program; it will automatically backup in the background.

Thank you 😊 - COMIT
