## Accessing BHRIC Desktop outside FAU via Windows Store App

Brian - 2025-06-27 - Accounts and Access

## **Accessing BHRIC Desktop**

To access BHRIC desktop and shared drive resources from outside the FAU network, please go to <u>https://vhealth.fau.edu</u>

1. Click the Install VMware Horizon Client button

2. Scroll down to VMware Horizon Client for Windows 10 UWP and click the Go to Downloads button.

3. Scroll down to the 'VMware Horizon Client for Windows 10 UWP 64-bit devices' and click the Download button. This will open the Microsoft Store
