Adding Questions to Videos in Mediasite Desktop Recorder

Christine Clevenger - 2023-06-16 - [WORKING REMOTELY](#)

The video below illustrates the process of inserting questions into videos. These videos do not have to be created in Mediasite, as all recorded curriculum video content (from PowerPoint, Mediasite, Webex, etc.) is uploaded to Mediasite.

If you would like COMIT to insert questions for you, please submit a ticket with specific times and questions/comments.
