## Adobe Creative Cloud Account Creation

Alain Rodriguez - 2022-08-11 - Accounts and Access

When logging onto your @Health Adobe Creative Cloud account, It is important to take the correct steps for proper sign on

Step 1. Connect to <https://creativecloud.adobe.com/>

Step 2. Create an account

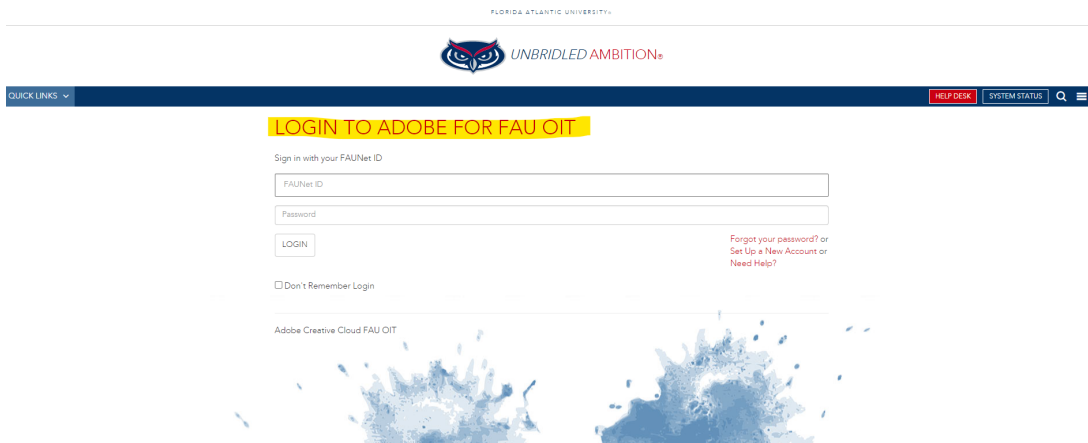

**Make sure to fill out every part listed below for proper account creation**

Once you have created your Adobe Creative Cloud Account using your @Health email address, you will be directed straight onto the main page on Adobe Creative Cloud.

**If you try and sign on right away using your @health email address, before creating an account and encounter the below prompt**

**\*DO NOT TRY  
TO LOG ON THIS WAY Before Creating an account it will give you an  
Access Denied! \***
