

## Connect to FAU Wifi (wireless) network

Jeff Clark - 2025-08-05 - Network and Connectivity

# Connect to the FAU Wireless Network

### Register your Device

1. Connect to the fau wireless network from your wireless device (e.g., laptop or mobile device).
2. The first time you open up a browser you will be redirected to the **FAUNet ID Central Authentication Service**.
3. Enter your **FAUNet ID** and **password** then click **LOGIN**.

The screenshot shows the FAU Single Sign On login page. At the top is the FAU logo and the text "UNBRIDLED AMBITION®". Below this is a dark blue navigation bar with "HELP DESK" and "SYSTEM STATUS" links. The main heading is "LOGIN TO FLORIDA ATLANTIC UNIVERSITY SINGLE SIGN ON" in red. Below the heading is the text "Sign in with your FAUNet ID". There are two input fields: "FAUNet ID" and "Password". Below the "FAUNet ID" field is a "LOGIN" button. To the right of the "LOGIN" button is a link that says "Forgot your password? or Set Up a New Account or Need Help?". Below the input fields is a checkbox labeled "Don't Remember Login". At the bottom of the form is the text "Single Sign On".

4. Enter a **name for your device** (ex: Joe's laptop). The MAC address should automatically appear in the box.
5. **Accept** the Use Policy and then click **Register Device**.
