Course Information (2)

The course screen is the repository for the basic information about your course. It shows you:

- Course director(s)
- Course Coordinators
- Course Level Documents (Syllabus, Lab Manuals, etc)
- Basic course description
- Course Content

Course Materials (3)

Course materials are organized by category. Items in bold have not been downloaded and also correspond to the item number in red. Use the convenient tools to download all into a .zip file. Files can also be downloaded individually.

- You can click on each item to download the document (or open a new window for web links).
- Or you can select all or multiple select and then click the download icon to begin the download process.
- All files will download as a .Zip file

The image displays three sequential screenshots of a course material management interface. Each screenshot shows a list of documents under the heading "Course Material".

- Top Screenshot:** The "Include all documents in download package" button is highlighted with a yellow circle and an arrow. The document list includes "Biomarkers_Cardiovascular_Disease" and "cell_structure", both with unchecked checkboxes.
- Middle Screenshot:** The "Remove all documents from download package" button is highlighted with a yellow circle and an arrow. The document list includes "Biomarkers_Cardiovascular_Disease" and "cell_structure", both with checked checkboxes.
- Bottom Screenshot:** The "Download selected documents." button is highlighted with a yellow circle and an arrow. The document list includes "Biomarkers_Cardiovascular_Disease" (unchecked), "cell_structure" (checked), and "Circulation_research" (unchecked).
