Creating a Turnitin.com Assignment

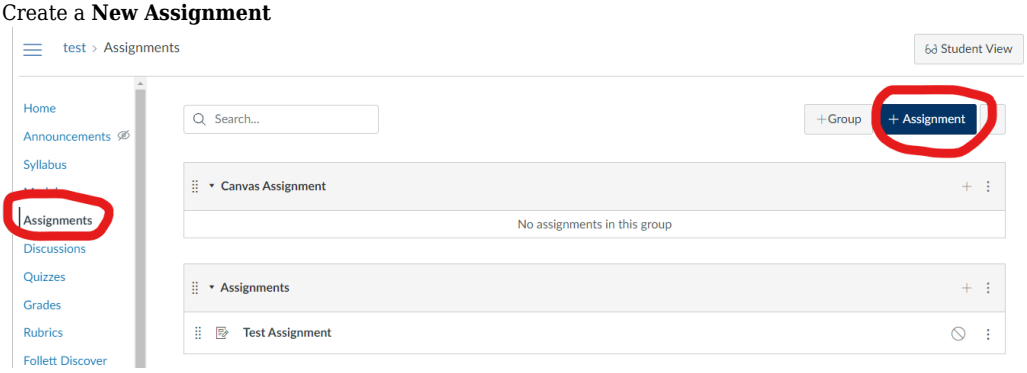

Samantha Starr - 2024-02-20 - Instructional Resources

What is Turnitin?

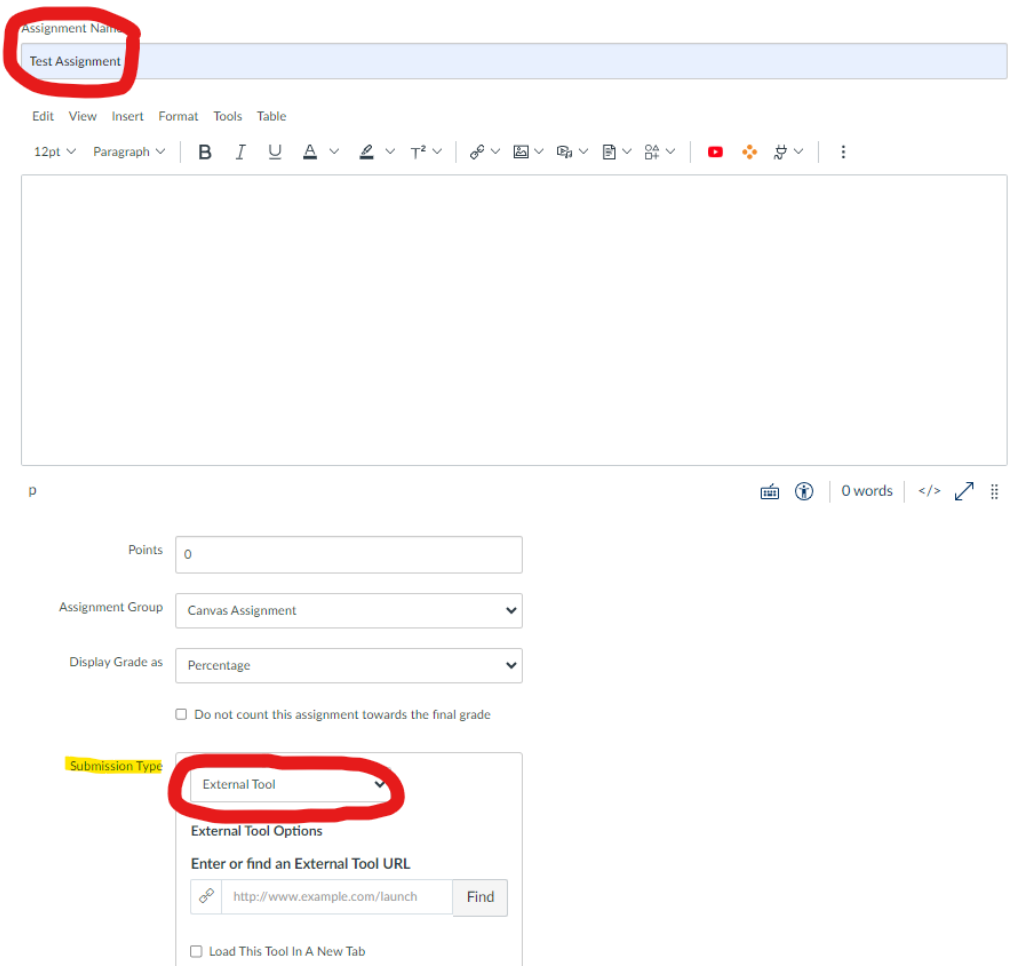

Turnitin is an AI plagiarism tool available in COM Canvas courses to detect plagiarism, check grammar, and give grading tools.

How to Add Turnitin To Assignment

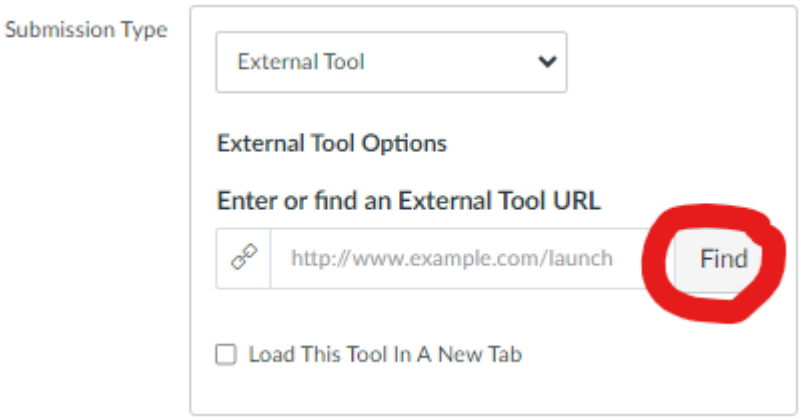

1. Log in to **Canvas** (canvas.fau.edu)
2. Create a **New Assignment**

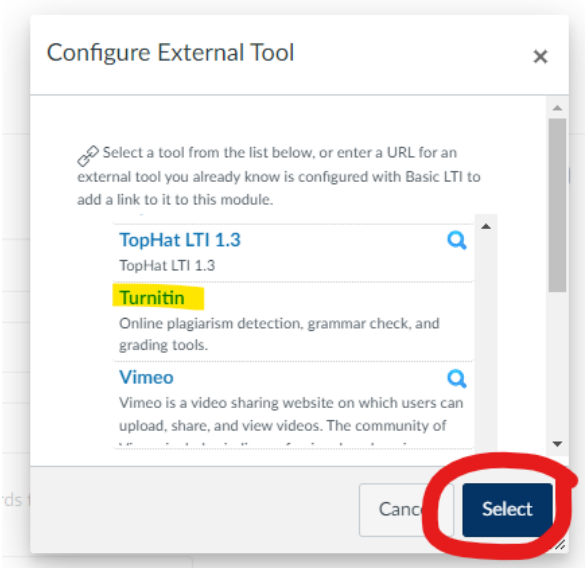

3. **Name Assignment**
4. Scroll to **Submission Type**-->Select **External Tool**

5. Select "**Find**" under external tool

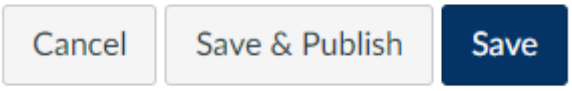

6. Locate **Turnitin**

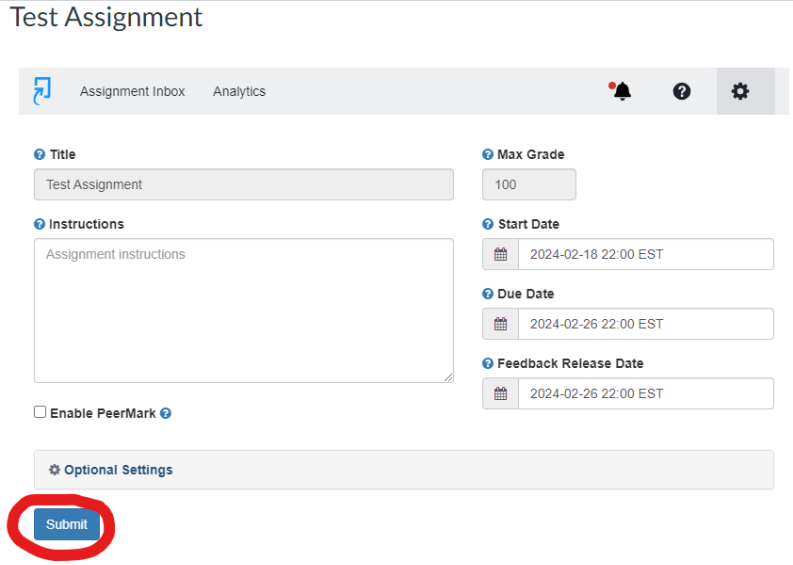

then click **Select**

7. Select **Save** to save your changes or select **Save & Publish** to allow students to view the

assignment

8. Give more **instructions** to students, enable **PeerMark** (peer review tool), and add **optional settings**-->

Click **Submit**

Add Turnitin to Canvas Assignment (Instructor View)
