Download Materials

Use these handy tools for selecting and downloading materials that are available in the Calendar, course and Event Screens

1. Select All available documents or select only certain ones by check box.
2. Download the documents in a convenient .Zip file format.
3. Deselect All will clear all previously selected documents.

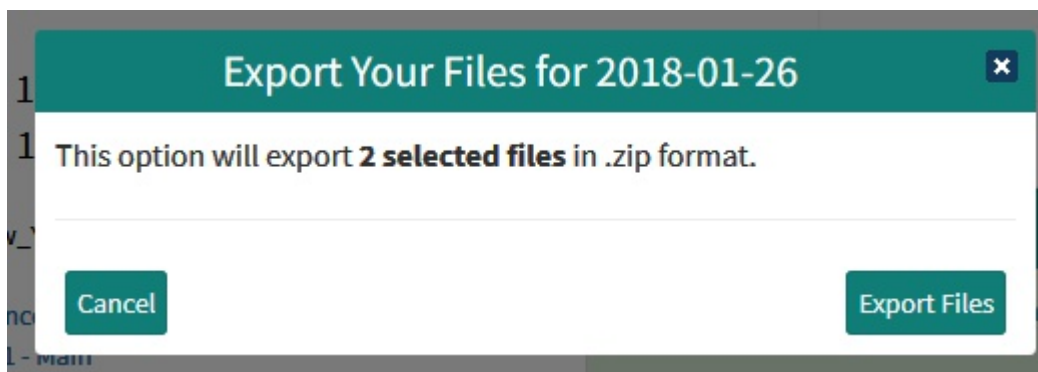

Begin Download

After selecting the materials, click the download icon

Please note that you will not be able to select a password protected file for a bulk download. You will see a lock icon beside it.

Export Files
