Download Materials

Use these handy tools for selecting and downloading materials that are available in the Calendar, course and Event Screens

- 1. Select All available documents or select only certain ones by check box.
- 2. Download the documents in a convenient .Zip file format.
- 3. Deselect All will clear all previously selected documents.

Begin Download

After selecting the materials, click the download icon

Please note that you will not be able to select a password protected file for a bulk download. You will see a lock icon beside it.

Export Files

Save to device
