Running an iClicker Cloud Polling Session

Once you have 1) opened the iClicker application, 2) logged in, 3) selected your course, and 4) started a polling session, follow the steps below.

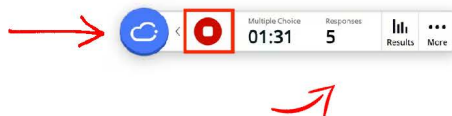

Step 1: Pull up the question.

Step 2: Select "Polling."

Step 3: Select the question type and press play.

The screenshot shows the iClicker Cloud interface. On the left, a question titled "Question 1" asks "Which is the largest organ?" with options A. Skin, B. Heart, C. Pancreas, and D. Liver. On the right, the top navigation bar includes icons for Poll, Quiz, Roster, and End. Below the question, a dropdown menu is open, showing "Multiple Choice" selected, with options for "Start Polling", "Number of", "Target", and "Multiple Answer". A red box highlights the "Multiple Choice" option. A red arrow points from the "Poll" icon in the top bar to the "Poll" button in the dropdown menu.

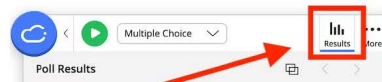

Step 4: Press the stop button when finished.

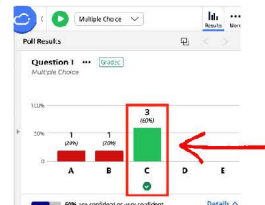

a. The number to the right of the timer indicates the number of recorded responses.

Step 5: Select "Results" on the iClicker Cloud menu.

a. The student answers will be displayed.

Step 6: Click on the correct answer to score the question.

a. Students will receive this feedback on their devices.
