Running an iClicker Cloud Polling Session

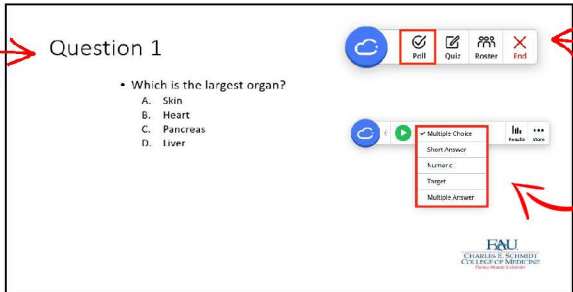

Once you have 1) opened the iClicker application, 2) logged in, 3) selected your course, and 4) started a polling session, follow the steps below.

Step 1: Pull up the question.

Step 2: Select "Polling."

Step 3: Select the question type and press play.

Step 4: Press the stop button when finished.

The screenshot shows a question titled "Question 1" with the text "Which is the largest organ?" and four multiple-choice options: A. Skin, B. Heart, C. Pancreas, and D. Liver. To the right of the question is a control menu with icons for Poll, Quiz, Roster, and End. Below this menu is a dropdown menu for question types, with "Multiple Choice" selected. A play button is also visible in the control menu.

Step 5: Select "Results" on the iClicker Cloud menu.

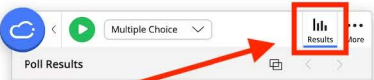

a. The student answers will be displayed.

The screenshot shows the control menu with a timer set to 01:31 and a response count of 5. The "Results" icon is highlighted with a red box.

Step 6: Click on the correct answer to score the question.

a. Students will receive this feedback on their devices.

The screenshot shows the "Poll Results" screen for "Question 1". It features a bar chart with five bars representing options A, B, C, D, and E. Bar C is the tallest, indicating it is the correct answer. A red box highlights bar C, and a red arrow points to it.

Step 7: Return to Step 1 or exit iClicker Cloud Polling by clicking on the Exit Button.

The screenshot shows the control menu with the "End" button highlighted by a red box and a red arrow pointing to it.
