iClicker: Student Setup and Usage Instructions

Ankit Shah - 2025-07-21 - Classroom/Conference Room Technology

Checklist: Getting Started with the iClicker Student App

M1 and M2 students are provided iClicker license codes for the 23-24 academic year through the COMIT department. Please contact Ed Tech via COMSupport.fau.edu or COMHelpDesk@health.fau.edu with any questions.

Step 1: Locate Your iClicker Email from Ed Tech

- Locate the email from Ed Tech with your 365 or 730 Day License Code.

Step 2: Click on the first Course Join Code URL

- Click on the first course join code (join via a browser, not the app)

Step 3: Create an @health iClicker Student Account

- Use your @health.fau.edu email address
- Select "**Florida Atlantic University College of Medicine**" as your university

Step 4: IMPORTANT: Redeem your 365-730 day polling access code! (M1s & M2s only)

- Go to the home screen
- Select the three lines
- Select SUBSCRIPTIONS
- Select POLLING (ignore the 14 day free trial- COMIT has purchased you a 1 or 2 year license that you need to redeem)
- Enter Single-Use Access Code provided in the email.

Step 5: Check Your Course Roster

- Join any missing courses by:
  - Using the links in the Ed Tech email or
  - Searching within "**Florida Atlantic University College of Medicine**"

Step 6: Get Ready to Participate

- Sign into the app on your iPad, phone, and/or laptop.
- You'll be prompted to "JOIN" once a poll starts.
