## Notability Annotation App

---

The Notability app is provided by the College of Medicine for students to use for notetaking on your iPads. Notability is pre-loaded on COM-issued iPads. Sign into your notability account with your **@health.fau.edu** **account** to easily sync your notes automatically to your OneDrive.

---

### All-in-One Note-Taking

- Combine **handwriting, typing, audio recordings, PDFs, and images** in a single note.
- Perfect for lectures where you want to write or type notes on PowerPoints.

### Audio Sync with Notes

- Notability's **audio recording syncs with your notes**, so you can tap on a word you wrote and hear what was being said at that moment in class.

### Organized and Searchable

- Use **dividers and subjects** to keep notes tidy.
- **Search handwriting and typed text**, even in scanned PDFs (with OCR).

### Apple Pencil Support

- Smooth, responsive inking with **pressure sensitivity** and **palm rejection**.
- Great for diagrams and sketching ideas.

### Cloud Sync and Backup

- Sync across iPad and Mac with **iCloud**.
- Auto-backup to **OneDrive**.

### Annotation Power

- Mark up **PDFs, slides, and assignments** directly in the app.
