Mediasite: Closed Captioning

Luis Norda - 2025-03-18 - OwlMed and Canvas

Mediasite: How to Access Closed Captioning

Closed Captioning is now available for all Mediasite recordings!

When viewing a video, after pressing play, simply press the icon. This will enable the closed captioning to appear.

If the video you are viewing does not contain the icon, please put in a ticket with COM EdTech.

Example below:
