# Event Screen Overview

- The Event Screen is the central portal for all things related to an event.
- This is also where students and faculty can view the basic information for an event.
- Students can view and download event materials, announcements, discussion boards, etc.

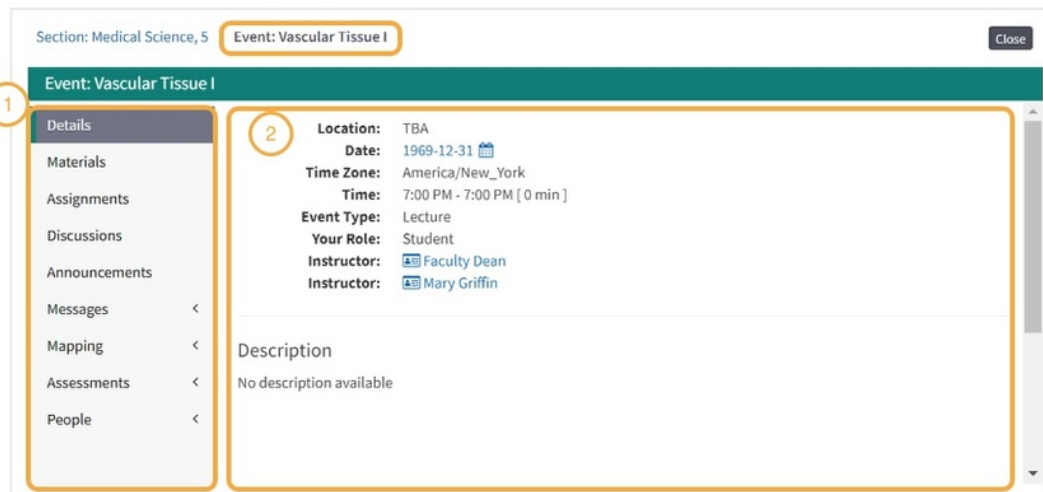

From the calendar, click on the event that you want to explore in more detail.

## Event Screen

These are the two main components for the Event Screen

1. Event Screen Menu
2. Event Content Area

NOTE: Depending on your role (e.g. student, faculty, staff and your enrollment in the event) you may see different options on the Event Screen Menu.

## Event menu(1)

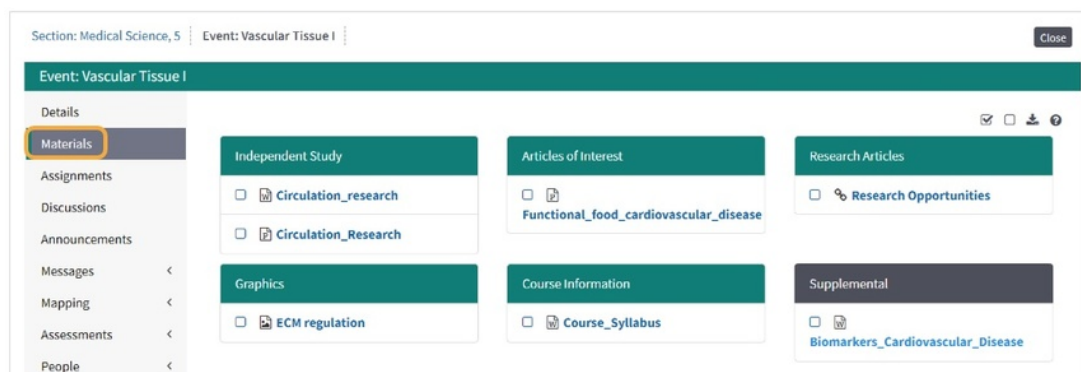

## Event Information (2)

This includes the location, date range, time, event type, and a short description of the event.

## Event Materials

this list displays documents by category.

You can click on each item to download the document (or open a new window for web links).
