How to Check Evaluations for Students

A Student can click on their picture to access **My Portrait.**

A list of all Evaluations by or about the Student, including both active and completed Evaluations. Clicking on the Evaluation link will bring you to a summary of that Evaluation.

The column menu bar indicates the following:

1. Clicking an Eval Title will take you to detailed score information for the selected Evaluation.
2. The Location column contains the name of the Course or Event to which the Evaluation applies and clicking on it will open the Course Section or Event screen.
3. The Evaluator column tells you the Evaluator of Record who summarized and approved the Evaluation.
