Pinned and Recent Pages (Pin)

The Pin allows you to bookmark any screen you visit in Leo to access it whenever you need to. This feature allows you to save your spot between sessions and to access quickly the areas in Leo you visit most frequently.

Click a **Recent Page** pin to move it to the **Pinned Pages**.

Select Manage Recent Pages to view or edit your recent history.

Session Screen (Monitor)

The **Session Screen** allows you to easily navigate around Leo without having to worry about losing your work when accessing another area of Leo. The Session Screen will keep a list of all of the active pages you have visited for the given session.

Account Menu (Picture)

Use the **Account Menu** to access user specific areas of the Leo such as the Exam and Eval Portals, Academic Portrait and your Profile.

- 1. My Portrait: Student's academic portrait
- 2. Edit Profile: Edit account settings
- 3. Exam Area: Exam Logon portal
- 4. Eval Portal: Eval Logon Portal
- 5. Sign Out: Sign out of account

My Portrait

The Academic Portrait displays information about a student's academic career by pulling data from courses (ex. grades), attendance records, all Evaluations of or by the student and general demographic information. Tabs are customized by institution and may display differently than in the screenshot below. The Portrait also include the Portfolio tab, where documents and materials can be uploaded, as well as the option to turn on the collaboration tool to write Noteworthy Characteristics.
