# Student Instructions Respondus LockDown Browser Through Canvas

Samantha Starr - 2025-09-12 - OwlMed and Canvas

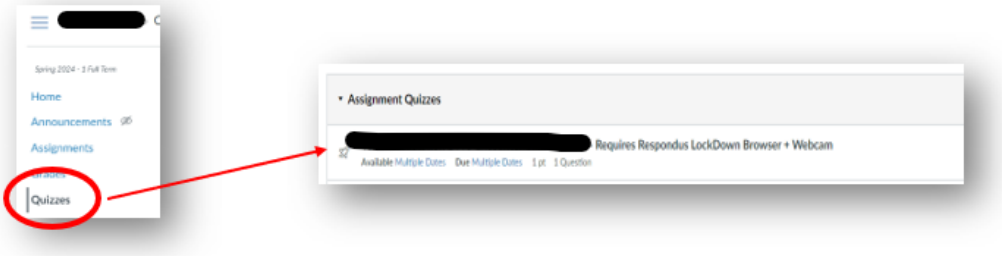

*Secured against dishonorable conduct, "Respondus Lockdown Browser and Monitor" locks the assessment window, and also uses AI to detect questionable movements/activities.*

## iPad Instructions

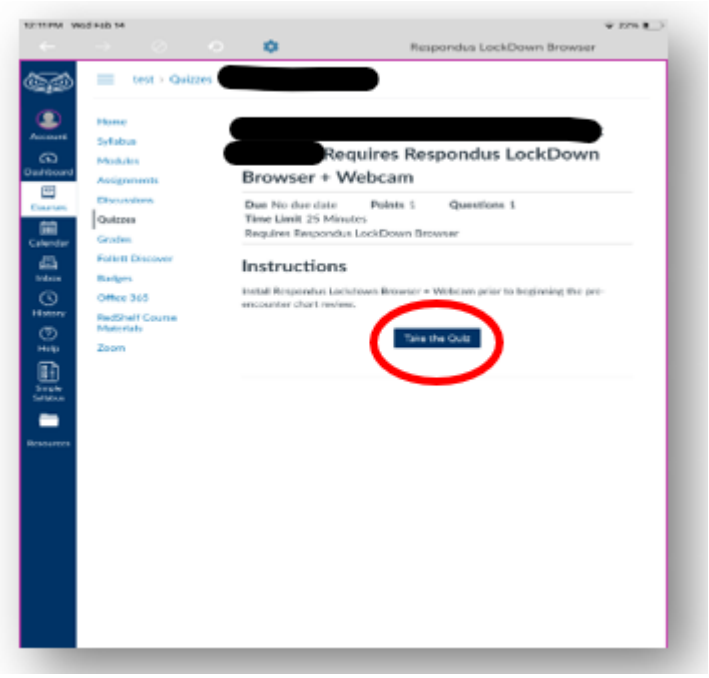

1. Join/Accept course in Canvas
2. Ensure that **Respondus LockDown Browser** has been installed on iPad
3. Open **Respondus LockDown Browser** and log in to Canvas with FAUNET ID

4. Navigate to **Canvas Course-->Quizzes-->Assigned Quiz**

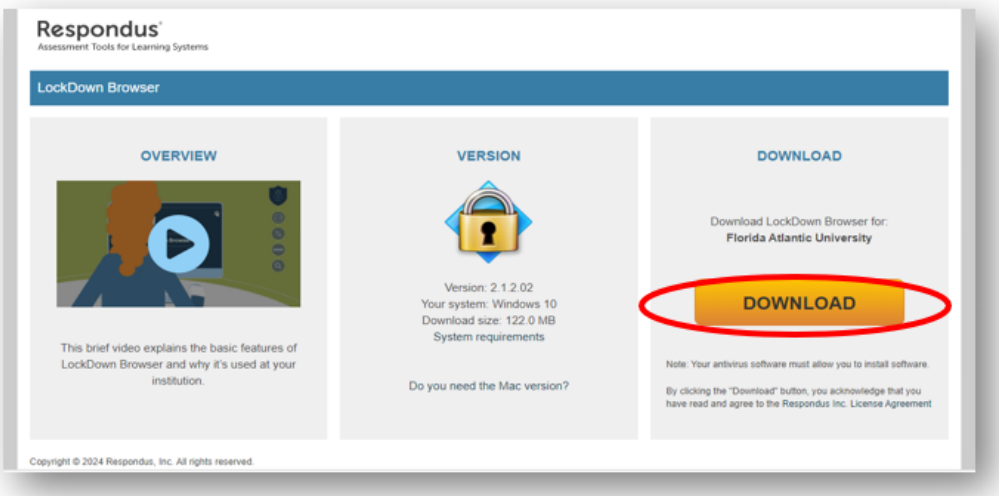

5. Click **Take the Quiz**

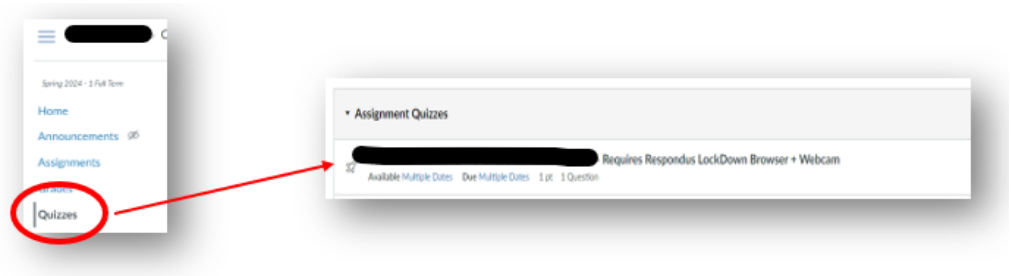

6. Follow instructions for **Respondus LockDown Browser**

## Laptop Instructions

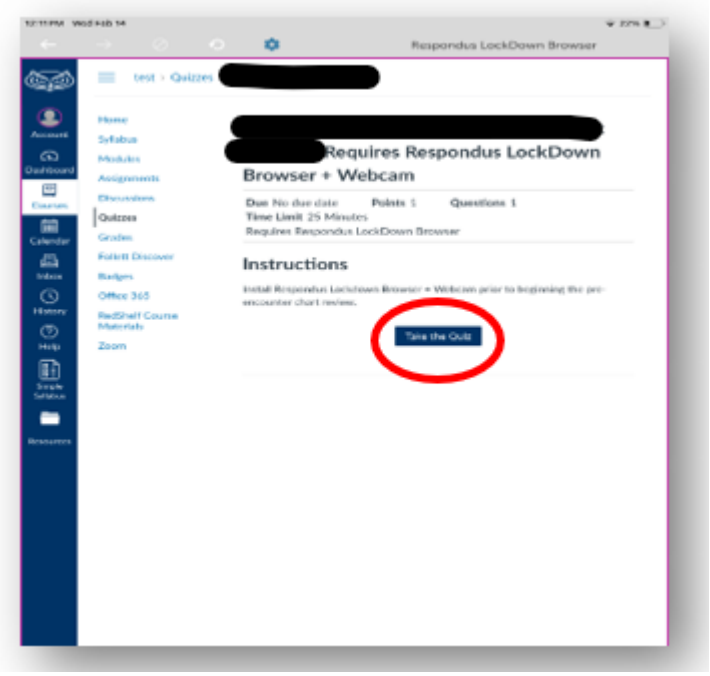

1. Join/Accept course in Canvas
2. Download and Install **Respondus LockDown Browser**

3. Locate and Open **LockDown Browser** icon
4. Log in to **Canvas** with FAUNET ID (canvas.fau.edu)
5. Navigate to **Canvas Course-->Quizzes-->Assigned Quiz**

6. Click **Take the Quiz**
