Using Poll Everywhere within Microsoft PowerPoint

Christine Clevenger - 2023-06-16 - Instructional Resources

- **What is Poll Everywhere?**
  - Student Engagement Tool that can be utilized for both live and virtual synchronous sessions.
  - Offers a variety of question types, including Word Clouds, Multiple Choice, Image Touch, and Team Challenges.
  - "Add-On" program, meaning it attaches to either PowerPoint, Keynote, or Google Slides.
  - Students can respond via internet browser, text messages, or Poll Everywhere app.
  - Free Higher Education accounts allow faculty to create unlimited polls with unlimited questions for up to 40 participants.
- **Create an Account:**
  - Free Higher Ed Instructor accounts are available, but limit audience size to 40 participants. Be sure to sign up for the correct type of account here: https://www.polleverywhere.com/plans/higher-ed
- **How can I use Poll Everywhere?**
  - Create a free Higher Education Account
  - Download (or request IT assistance to download) the Poll Everywhere Plugin for Microsoft PowerPoint. COM classrooms (126, 128, and 130) are already set up with the PowerPoint add-in.
  - Create and launch activities within your pre-built PowerPoint files.
  - Watch video below or request Ed Tech training by submitting a request to COMhelpdesk@health.fau.edu
