Which lectures are recorded?

Jeff Clark - 2025-06-20 - [Lecture Capturing](#)

How to Check which Lectures are Recorded

1. Log into [OwlMed](#)
2. Locate the **event** in the **Calendar**

10:00 - 10:50

Pathology of the Liver 1 (R)

3. The event will have an **(R)** in the title if recorded
4. View the recording through the **Mediasite Channel link** located in each course page materials

For recording requests, please contact the Office of Medical Education or the Course Director.
