Accessing BHRIC Desktop outside FAU via Windows Store App

Brian - 2025-06-27 - Accounts and Access

Accessing BHRIC Desktop

To access BHRIC desktop and shared drive resources from outside the FAU network, please

go to https://vhealth.fau.edu

1. Click the Install VMware Horizon Client button

2. Scroll down to VMware Horizon Client for Windows 10 UWP and click the Go to Downloads button.
