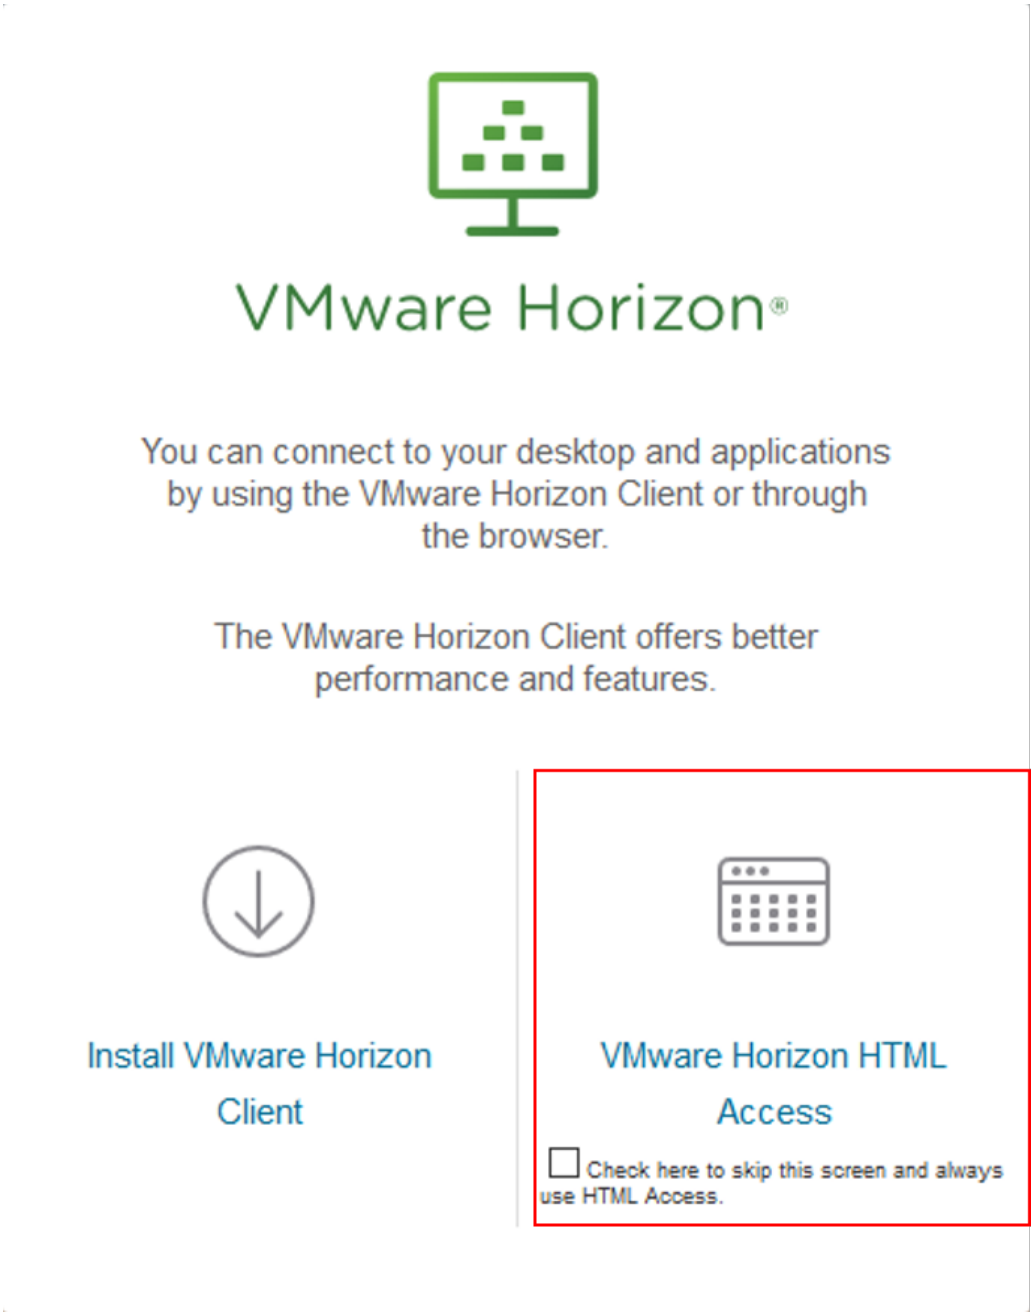
Accessing BHRIC Desktop via HTML5

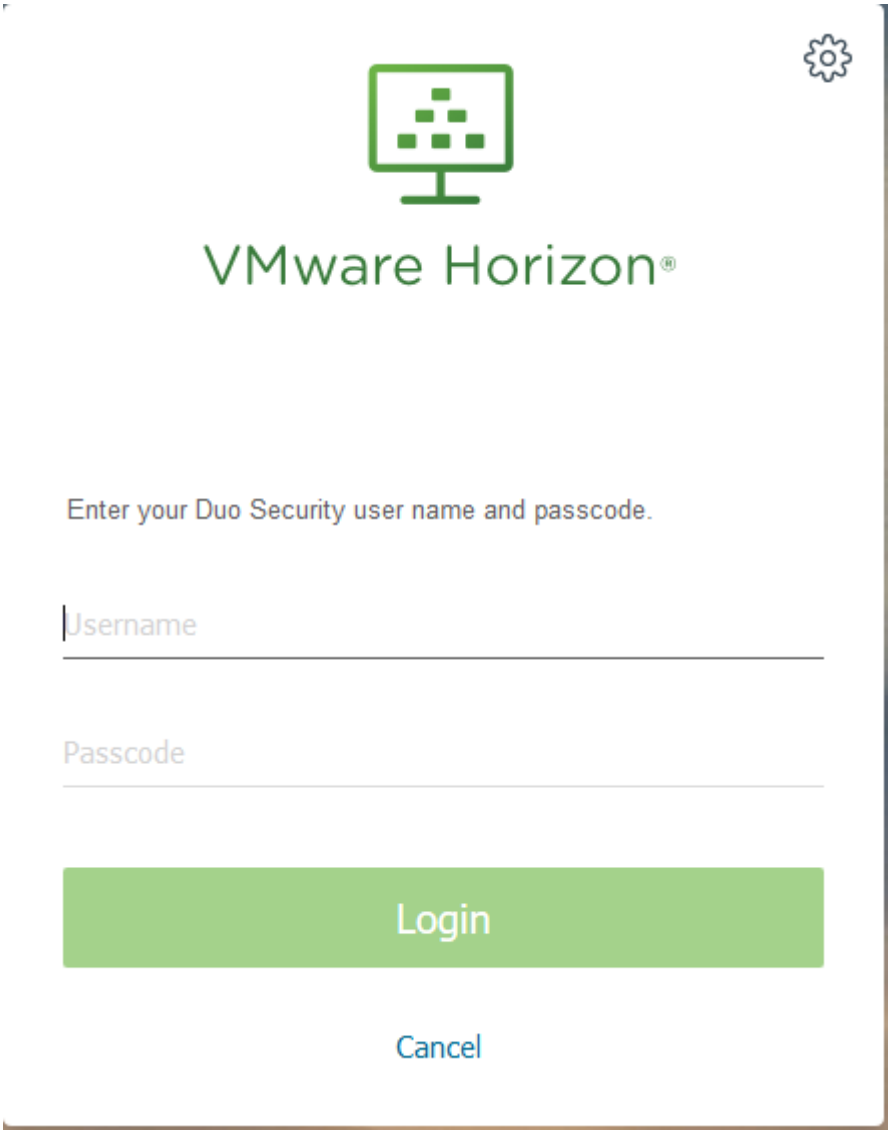
Brian - 2026-01-05 - Desktop Computing and Printing

BHRIC virtual machines are a secure way to connect to FAU resources from on and off campus. You must request permission to access one of the virtual machines. To log into your existing virtual machine, please do the following:

1. Open an HTML5 compatible web browser
2. Go to https://vhealth.fau.edu.
3. Click on VMware Horizon HTML Access

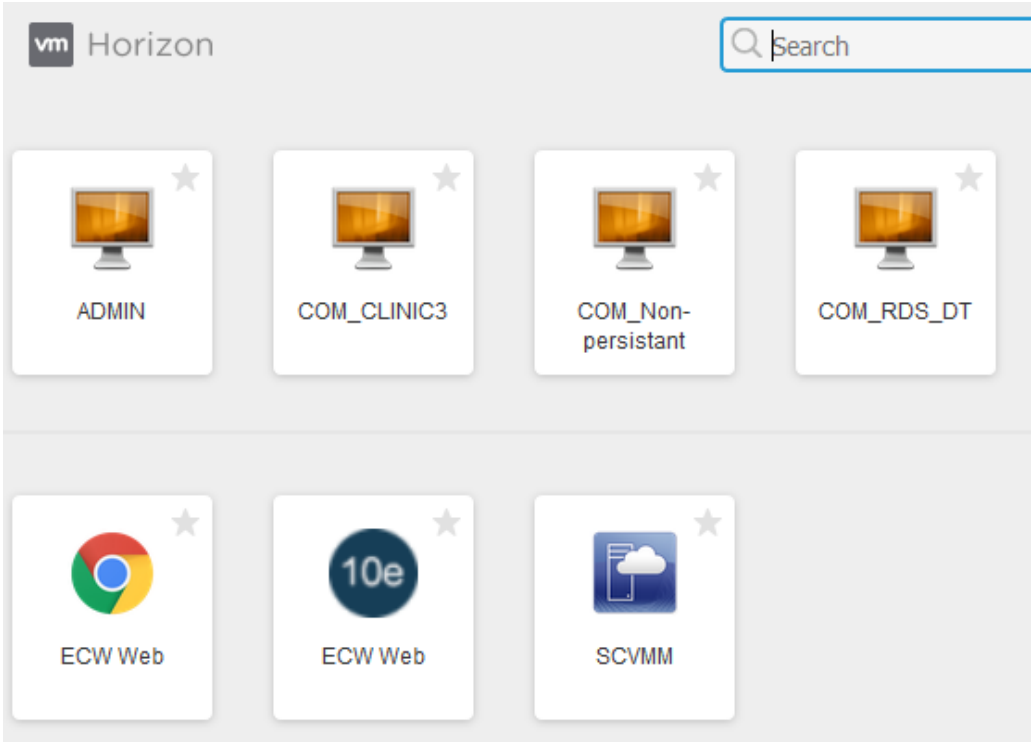


4. Login with your FAU credentials



5. Complete the 2-Factor authentication prompt

6. Click on the VM or program you wish to use



7. Once finished, logout of any VM or close the program to disconnect.
