## Accessing BHRIC Desktop via HTML5

Brian - 2019-08-27 - Desktop Computing and Printing

BHRIC virtual machines are a secure way to connect to FAU resources from on and off campus. You must request permission to access one of the virtual machines. To log into your existing virtual machine, please do the following:

- 1. Open an HTML5 compatible web browser
- 2. Go to <a href="https://vhealth.fau.edu">https://vhealth.fau.edu</a>.
- 3. Click on VMware Horizon HTML Access

You can connect to your desktop and applications by using the VMware Horizon Client or through the browser.

The VMware Horizon Client offers better performance and features.

Install VMware Horizon Client

4. Login with your FAU credentials
