

Adobe Creative Cloud Account Creation

Alain Rodriguez - 2022-08-11 - Accounts and Access

When logging onto your @Health Adobe Creative Cloud account, It is important to take the correct steps for proper sign on

Step 1. Connect to <https://creativecloud.adobe.com/>

Step 2. Create an account

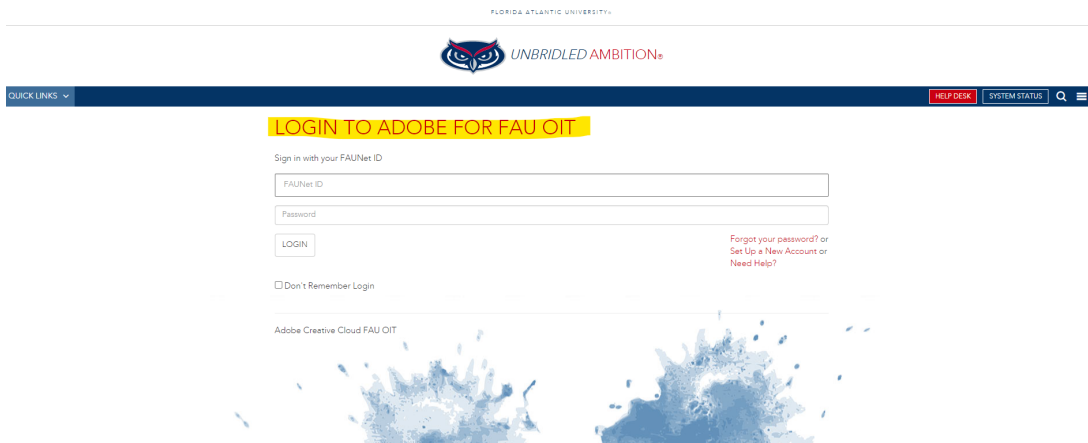

Make sure to fill out every part listed below for proper account creation

Once you have created your Adobe Creative Cloud Account using your @Health email address, you will be directed straight onto the main page on Adobe Creative Cloud.

If you try and sign on right away using your @health email address, before creating an account and encounter the below prompt

***DO NOT TRY
TO LOG ON THIS WAY Before Creating an account it will give you an
Access Denied! ***
