What is Prompting in AI?

Samantha Starr - 2025-01-07 - [Instructional Resources](#)

How to Prompt in Copilot

***Disclaimer:** Copilot is a protected version of AI when user is logged in with their FAU credentials. Do **NOT** input personal or other HIPAA protected information in Copilot.

Have questions about using Copilot? Create a ticket at <https://comsupport.fau.edu/new-ticket> or email comhelpdesk@health.fau.edu
