

## What is Prompting in AI?

Samantha Starr - 2025-01-07 - Instructional Resources

# How to Prompt in Copilot

**\*Disclaimer:** Copilot is a protected version of AI when user is logged in with their FAU credentials. Do **NOT** input personal or other HIPAA protected information in Copilot.

## What is Prompting?

How you talk to the AI model

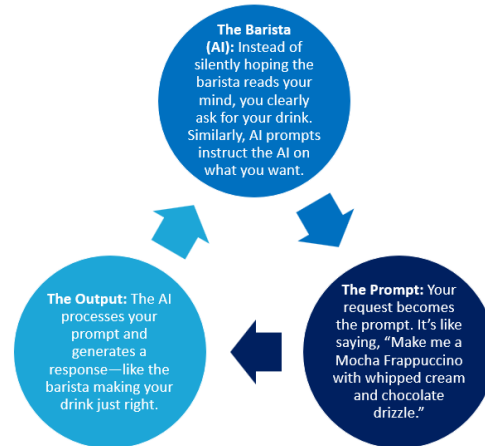

A tool to produce outputs of information

Creates a starting point

Think of it as having a friendly conversation with a helpful friend

Think about what you say and how you say it!

## Prompting Process
