BC 128 Room Panel

Luis Norda - 2024-01-25 - Classroom/Conference Room Technology

Room Panel basics

1) **Power:** This button will turn on/off the entire system.
2) **Room PC:** Select this source to display PC 1's monitor to all projectors.
3) **Laptop:** After attaching your laptop, via a dongle, this will display your laptop's contents to all projectors.
4) **Mobile:** This will display instructions on how to wirelessly connect your mobile device to display its contents.
5) **Whiteboard:** This will display the whiteboard to all projector screens and display anything written in real-time.
6) **Advanced**: This will provide you the option to combine multiple devices so that their contents can be displayed at the same time.
