Canvas: How to Manage Notifications

Samantha Starr - 2026-06-22 - OwlMed and Canvas

How to Manage Notifications in Canvas

1. Log into canvas.fau.edu with your FAU credentials
2. Select your “Account” then click “Notifications”

3. Select the notification bell under Course Activities to manage notifications.
    1. Notify immediately
    2. Daily summary – delivered around 6pm
    3. Weekly summary – delivered Saturday between 1am and 3am
    4. Notifications off
