

Connect to FAU Wifi (wireless) network

Jeff Clark - 2024-06-18 - Network and Connectivity

Connect to the FAU Wireless Network

Register your Device

1. Connect to the fau wireless network from your wireless device (e.g., laptop or mobile device).
2. The first time you open up a browser you will be redirected to the FAUNet ID Central Authentication Service.
3. Enter your FAUNet ID and password and click LOGIN.

The screenshot shows the FAU Single Sign On login page. At the top, there is the FAU logo and the tagline "UNBRIDLED AMBITION". Below this is a dark blue navigation bar with "HELP DESK" and "SYSTEM STATUS" links. The main heading is "LOGIN TO FLORIDA ATLANTIC UNIVERSITY SINGLE SIGN ON". Underneath, it says "Sign in with your FAUNet ID". There are two input fields: "FAUNet ID" and "Password". A "LOGIN" button is positioned below the "FAUNet ID" field. To the right of the "LOGIN" button, there is a link: "Forgot your password? or Set Up a New Account or Need Help?". Below the input fields, there is a checkbox labeled "Don't Remember Login". At the bottom of the form, there is a "Single Sign On" link.

4. Enter a name for your device (ex: Joe's laptop). The MAC address should automatically appear in the box.
5. Accept the Use Policy and then click Register Device.

HELP

HELP DESK

URL: helpdesk.fau.edu
phone: (561) 297-3999

System Maintenance
The Office of Information Technology
performs system maintenance Thursdays
3:00 a.m. - 7:00 a.m. OIT supported

6. Authentication Successful! **** Very Important**** Please wait a couple of minutes for settings to take effect or restart your computing device.
7. After your device has received its new network setting you should be able to browse the Internet without being prompted to log in.

Windows 10/11

1. Left Click on the icon that represents your wireless network
2. Select eduroam and click "Connect".
3. After clicking on the "Connect", you will need to enter your FAUNet Id and password.
4. You are now connected to eduroam and you may begin to browse.
