Try it!

Create custom signatures that can be automatically added to your email messages. Email signatures can include text, images, your electronic business card, a logo, or even your handwritten signature.

Create an email signature

- 1. Select New Email.
- 2. Select Signature > Signatures.
- 3. Select New, type a name for the signature, and select OK.
- 4. Under Edit signature, type your signature and format it the way you like.
- 5. Select OK and close the email.

6. Select New Email to see the signature you created.
