Creating an Apple ID for FAU-issued Devices

Christine Clevenger - 2025-07-17 - iPad Support

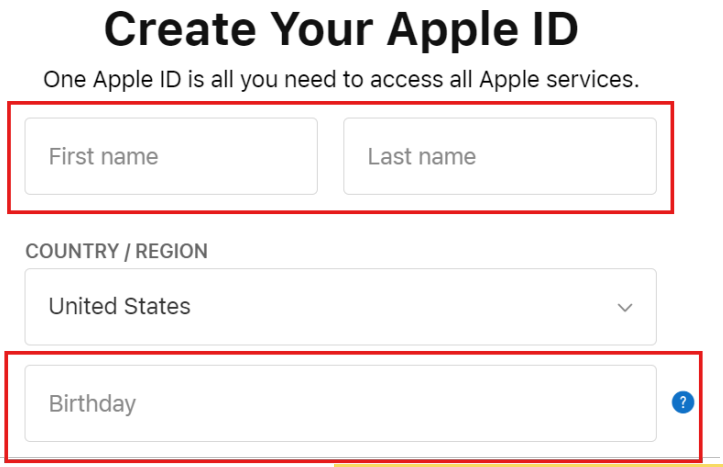

Create a New Apple ID Using a Computer

To create your new Apple ID using your PC, follow these steps:

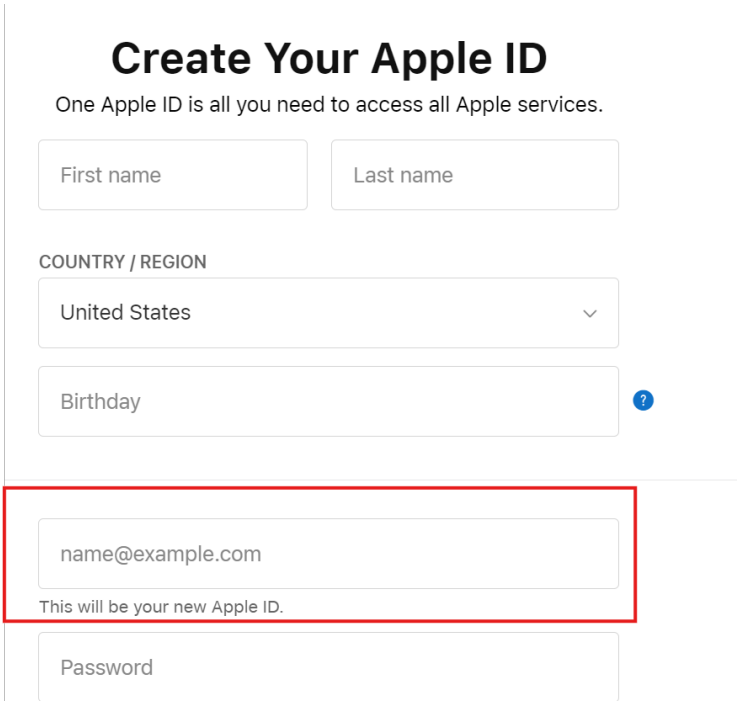

1. Go to **https://appleid.apple.com**
2. Click on **Create Your Apple ID** on the upper-right part of your computer's screen.

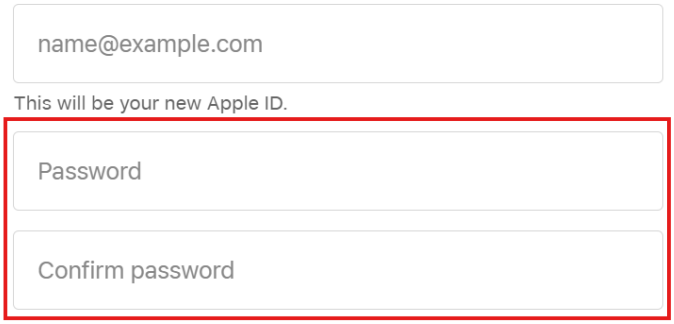

3. Input your **name and birthday.**

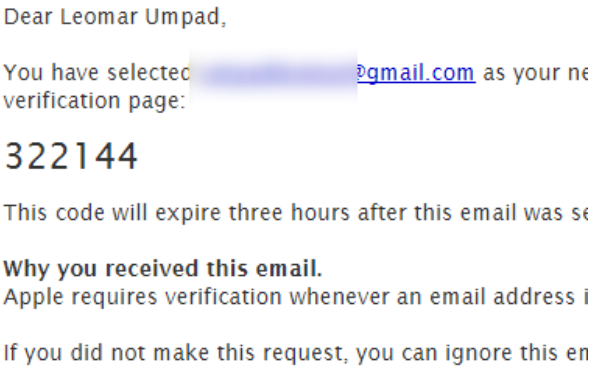

4. On the Create Your Apple ID Page, **enter your @health.fau.edu email address for FAU issued devices**. This will be used as your Apple ID.

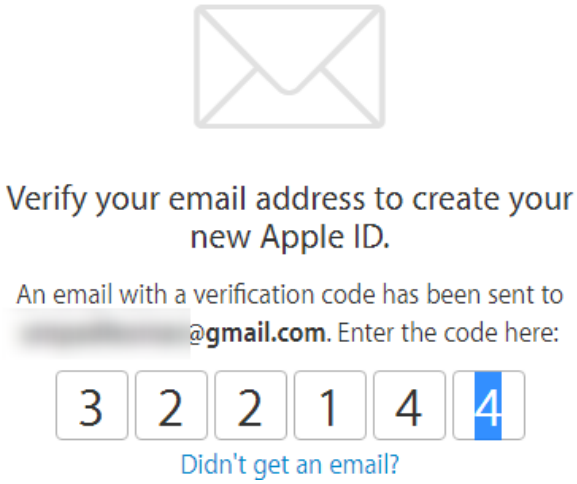

5. Enter and confirm your **password**. Passwords should be at least eight characters, have at least one number, and have a lowercase and an uppercase letter.

6. Follow the prompts to complete the initial creation.
7. IMPORTANT: Apple will send a **confirmation email** containing a code to your registered email address.

8. **Enter the confirmation code** on the verification page

9. **Your Apple ID is now created.** Details of your Apple ID will be displayed on-screen. You can now use your newly created Apple ID to access Apple's wide range of services.
