Running an iClicker Cloud Polling Session

Once you have 1) opened the iClicker application, 2) logged in, 3) selected your course, and 4) started a polling session, follow the steps below.

Step 1: Pull up the question.

Step 2: Select "Polling."

Step 3: Select the question type and press play.

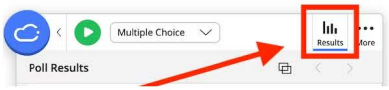

Step 4: Press the stop button when finished.

a. The number to the right of the timer indicates the number of recorded responses.

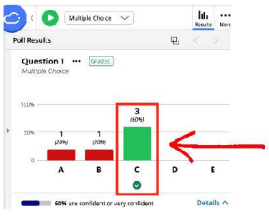

Step 5: Select "Results" on the iClicker Cloud menu.

a. The student answers will be displayed.

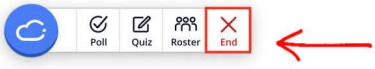

Step 6: Click on the correct answer to score the question.

a. Students will receive this feedback on their devices.

Step 7: Return to Step 1 or exit iClicker Cloud Polling by clicking on the Exit Button.
