Running an iClicker Cloud Polling Session

Once you have 1) opened the iClicker application, 2) logged in, 3) selected your course, and 4) started a polling session, follow the steps below.

Step 1: Pull up the question.

Step 2: Select "Polling."

Step 3: Select the question type and press play.

Step 4: Press the stop button when finished.

The screenshot shows a question titled "Question 1" with the text "Which is the largest organ?" and four multiple-choice options: A. Skin, B. Heart, C. Pancreas, and D. Liver. To the right of the question is a menu with icons for Poll, Quiz, Roster, and End. Below the question is a sub-menu with options for Multiple Choice, Short Answer, Numeric, Target, and Multiple Answer. A play button is visible at the bottom right of the question area.

Step 5: Select "Results" on the iClicker Cloud menu.

a. The student answers will be displayed.

The screenshot shows a timer at 01:31 and a response count of 5. The Results icon is highlighted with a red box and an arrow.

Step 6: Click on the correct answer to score the question.

a. Students will receive this feedback on their devices.

The screenshot shows the poll results for "Question 1" with a bar chart. The correct answer, C, is highlighted with a green bar and a red box. The percentage of correct answers is 60%.

Step 7: Return to Step 1 or exit iClicker Cloud Polling by clicking on the Exit Button.

The screenshot shows the menu at the top of the iClicker Cloud interface, with the Exit button highlighted by a red box and an arrow.
