# Hazardous Waste Disposal

Anthony Dardano - 2025-01-29 - COM Facilities

**If you have any sort of Hazardous Waste which needs special attention, such as dead batteries from a battery backup system, please contact FAU Environmental Health & Safety at EHS@fau.edu. Lithium and rechargeable batteries cannot be disposed of as regular trash.**

**If you have laboratory hazardous waste, please use your login for BioRaft SciShield to arrange pickup.  All Primary Investigators have login access to BioRaft SciShield.  https://fau.scishield.com/**

1. Go to https://fau.scishield.com/
2. Sign in with FAU credentials
3. Click My Account > Click College of Medicine - IT dept.
4. Waste Tab
5. Submit New Chemical Waste pick up request
6. Fill out page example, Physical state: Solid, Material Type: Batteries
7. Click Submit when finished
