iPad Case and Bluetooth Keyboard

Key Features:

1. Magnetic and removable keyboard
2. Apple pencil storage
3. Adjustable iPad position
4. Easy all-in-one case

Connect Bluetooth Keyboard:

1. Open “Settings” on your iPad
2. Select “Bluetooth”
3. Turn on the keyboard (switch located on the left side)
4. Select and hold “**fn + Q**” keys for a few seconds until you see “Bluetooth Keyboard” appear on your iPad
5. Select the “Bluetooth Keyboard” then Pair

TIP: Turn off keyboard when not in use to save battery

Change Keyboard Backlight Color: **fn + Return** keys
