

Mirroring Your Device (PBL rooms)

Samantha Starr - 2024-08-07 - Instructional Resources

AirMedia: Mirroring your Device

Option 1: Adaptor

- On the left TV, change the source to HDMI-2
- Use the table-top USB-C adaptor
- Plug in the adaptor to your device
- Begin presenting
- To pause sharing, simply press  or to stop sharing, unplug the adaptor

Option 2: Wireless

- On the left TV, change the source to HDMI-2
- Navigate to the link provided on the TV screen for “Present Wireless”
- Select “Start Presenting” on your device
- Follow the instructions
