

OwlMed:Academic Portrait for Students

Marcelle Gornitsky - 2023-07-28 - OwlMed and Canvas

My Portrait

A Student can click on their picture to access **My Portrait**.

The Academic Portrait displays a Student's entire academic history in a simple comprehensive profile.

Academic Portrait Menu

Only the individual(s) explicitly assigned as the Student's mentor can view the Academic Portrait and related documentation, including the Portfolio.

A student's Academic Portrait is divided up into the following sections:

1. **Themes:** Displays performance data based on Theme-Mapped Evaluation Questions, Events, Procedures and Diagnoses over time.
2. **Academics:** A list of Courses the student has taken. Course specific grades can be displayed, if the institution chooses.
3. **Attendance:** This displays information about a Student's excused and unexcused absences.
4. **Evals (Evaluations):** Active evaluations and completed evaluations on or by the Student are listed here.
5. **Notes:** This lists all the notes that have been added to a Student's portrait.
6. **About:** General information and demographics about the Student are displayed on this page.
7. **Portfolio:** A category-based digital folder where Students and their Mentors can upload documents that they need to keep over a period of time.
8. **Noteworthy Characteristics:** A flexible tool for Students and Advisors to collaborate on authoring statements for the MSPE.
9. **Export Portrait:** Download documents in a .ZIP file.

Themes

Displays performance data based on Theme-Mapped Evaluation Questions, Events, Procedures and Diagnoses over time.

1. Click the **Menu** icon to toggle the Academic Portrait menu on or off the screen
2. Select the **Filter By drop-down** to filter by a specific Theme or Theme Set
3. Select **More Info** to view detailed performance information

About

Portfolio

Characteristics

+

During her second year, Lucy served as the student coordinator for the Community-Based Sanctuary Clinic and secured a \$500,000 grant from the United Way of North Carolina to equip a new seven-room ophthalmology suite for the facility.

Lucy passed her USMLE Step 1 examination two months after the death of her mother in a motor vehicle accident.

Lucy gave birth to a son this past August. She has successfully completed all her M3 clinical rotations on time, spent the month of August on a pre-arranged research rotation, and commenced her Emergency Medicine rotation in mid-September.

Lucy is volunteering weekly at a local Community Clinic . She has done more than 225 hrs already and plans to pursue into Year 4.
