4. **Evals (Evaluations):** Active evaluations and completed evaluations on or by the Student are listed here.
5. **Notes:** This lists all the notes that have been added to a Student's portrait.
6. **About:** General information and demographics about the Student are displayed on this page.
7. **Portfolio:** A category-based digital folder where Students and their Mentors can upload documents that they need to keep over a period of time.
