OwlMed Curriculum Mapping: How to Map Session Objectives to Course Objectives

Marcelle Gornitsky - 2025-07-29 - OwlMed and Canvas

Curriculum Mapping of Course Events (Course Directors)

Steps:

1. Navigate to Owlmed.fau.edu
2. Navigate to your Course via the Courses tab
3. Navigate to Events --> All Events on the left hand menu (minimize materials if option is not visible)
4. Select an event to open the event page
5. Select Mapping --> Map Session Objectives
6. Click on a session objective to edit or add new session objectives one by one
7. Click on **number** that appears under G/O # and map Course Objectives/Program Goals

See a video on the process:
