Jeff Clark - 2019-07-30 - OwlMed and Canvas

The main user interface is based around the calendar.

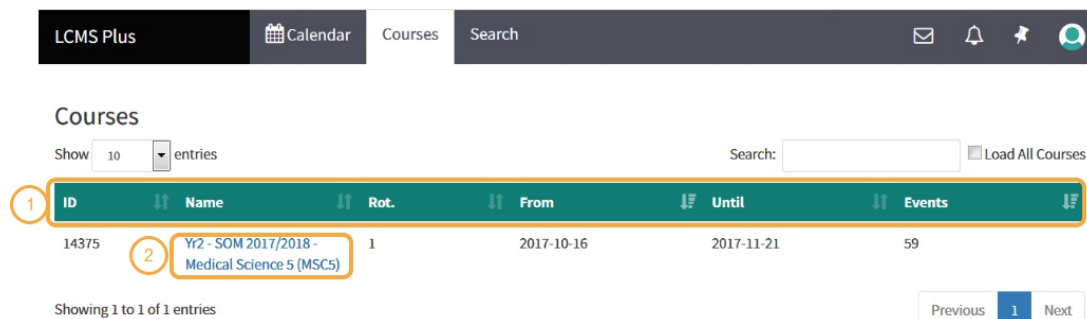

The **Calendar** opens to today's date and can be organized by: Day, Week, Month, or List views

Documents are organized on the right side panel and can be downloaded all at once or you can select specific items to download.

Filters can be applied to the Calendar, you can add personal events and access **More**.

Events are organized by time and place as well as color coded by Event Type.

Courses Tab

Courses can be sorted by: ID, Name, Rotation, From, Until and number of Events.

Click the Course link to go to the Course Screen for that Course

My Portrait

A student's academic portrait contains information on their academic career and has data points from every course, their attendance records, all evaluations of or by the students and general demographic information.

Academic Portrait

A screenshot of the 'Academic Portrait' page for Will Bertson. The page has a header with tabs for 'Academics', 'Attendance', 'Evals', and 'About'. The 'About' tab is selected. On the left, there is a profile picture of Will Bertson, his name, and contact information: 'Message Will' and '(919) 923-0820'. The main content area is divided into two columns. The left column is titled 'Application Information' and contains: 'MCAT Score: 33', 'Undergraduate GPA: 3.83', 'Undergraduate Institution: University of Mary Washington', and 'Undergraduate Major: Biology'. The right column is titled 'Personal Information' and contains: 'Date of Birth: 2011-07-05' and 'Shirt Size: Medium'. Below the 'Application Information' section, there is a 'Location Information' section which is currently empty.
