

SPSS installation

Brian - 2024-06-10 - Software

As of July 1, 2021, SPSS is now free to use for all Faculty and Students. Please use the following instructions to install on your personal device.

Note: COM Faculty or Staff that need SPSS installed on your COM issued computer, please email comhelpdesk@health.fau.edu to create a ticket for installation. You will not be able to install this software yourself on COM issued devices.

The software and licensing information is available at:

<https://fau.sharepoint.com/sites/OIT/OIT%20Software/Forms/AllItems.aspx>.

You will be prompted for your SSO authentication and 2 factor authentication if you have it setup for all services.

After authentication, click on the SPSS folder.
