STAFF- OwlMed Event Types

Christine Clevenger - 2023-11-21 - Instructional Resources

Which event type should I choose?

Basic Events

Title + Location + Faculty + Students + Objectives + Documents

Takes one spot on the calendar.

Repeating Events

Event that occurs in a predictable fashion

Often used for things like Office Hours

Long Events

Spans multiple dates

Often used for assignments that require student preparation

Linked Events

Typically used for small group or subset events

Multiple events that share SOME elements (title, documents, mapping, etc.)

Creates a "locked" rubber stamp for events
