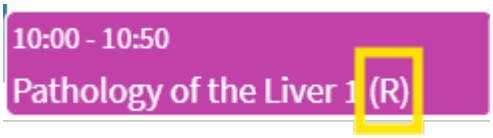
Which lectures are recorded?

Jeff Clark - 2025-06-20 - Lecture Capturing

How to Check which Lectures are Recorded

1. Log into OwlMed
2. Locate the **event** in the **Calendar**
3. The event will have an **(R)** in the title if recorded



4. View the recording through the **Mediasite Channel link** located in each course page materials

For recording requests, please contact the Office of Medical Education or the Course Director.
