Canceling a Zoom meeting or Recurring Zoom Meeting

Last Updated: September 7, 2022

If you want to cancel an unnecessary Zoom meeting, you can remove it from the web portal, desktop client, or in your mobile app.

You can delete a single meeting or recurring meeting, or [reschedule](#) it to a later date.

If you set up [calendar integration](#), you can also [remove or cancel a meeting from your calendar](#). If you delete a scheduled meeting from your calendar, Zoom will also remove it from the desktop and web client.

Note: You can [recover deleted meeting sessions](#) within 7 days from the Zoom web portal. After 7 days, meetings will be permanently deleted.
