Outlook Online Outage

2026-11-12 - Brian - General

Microsoft is currently experiencing an outage of the Outlook Online service. This is affecting all faculty, staff, and student emails. Microsoft is investigating the issue. If you need immediate assistance, please call us at 561-297-2017. More details can be found here: https://status.cloud.microsoft/Service and here: https://wordpress.fau.edu/oit/2026/11/microsoft-365-outage/.
